

*Alice's
Corner*

What a great year. Hope everyone had a wonderful Thanksgiving.

We are now full blown into the Christmas season. If you have not been in to see everything that has been packed into the Store, you will be pleasantly surprised. Jay and Juan with Mike's expertise have placed almost 40,000 lights in the yard. When darkness falls, the music comes on, the lights sparkle as well as dance to the Christmas music coming from speakers in the yard. **It is magical!**

On Friday and Saturday nights, we stay open until 8:00 for walking tours and late night shopping. You will find unique Christmas decorations in every nook

and cranny...hanging in and from trees, falling out of baskets and pots and displayed on tables...most that you cannot find elsewhere, and with very affordable prices. We have Santa's and snowmen, penguins and Christmas birds all dressed up for the occasion. Candles abound and some with special reduced prices that will make perfect last-minute gifts; wonderful for hostess gifts; and delightful for your own home's décor and aromatic fragrances.

With this being our first Christmas you will be amazed. Fortunately for you, the President of the Company Janie and I both love Christmas. So with her enthusiasm and backing, and my enthusiasm and "shopping", we have made the Store a lovely experience for you to both enjoy and buy.

Remember, we do have floating islands that can be decorated for the holidays and placed in your pond "with solar lights even" and be a showpiece in your watergarden for you and your guests. We have a decorated island floating in one of our ponds as an example for you.

Pond dollar redeemers have been steadily visiting our Store. Don't forget to redeem yours. All pond dollars earned from last November 16, 2009, until November 13, 2010 and not used this year will be lost to you. Hope you have something special planned for your pond dollars.

This Company has outdone themselves in giving back to the community by having these beautiful Christmas displays in our yard. The walking tours are free and will definitely be enjoyed by people of all ages. I hope each of you will make the effort to come out two miles North of I-40 on Kickapoo Street in Shawnee and delight in what we have designed for you. Merry Christmas.
